Baptism

Hamish Dempster, one of our 8am congregation, is being baptised at the 8am service on 22 August. Please pray for Hamish as he takes this step in his faith journey. There will be celebratory morning tea following the service – all are welcome to help celebrate this event.

Outreach reminders—*Outreach a very important part of our ministry here at St Barnabas especially to those less fortunate than ourselves. Here are some ways you can help with this:*

Household goods for those without

Flora is currently working at Kāinga Ora (Housing NZ) and a recent talk from one of the Tenancy Manager's was a sad wakeup call for everyone on how little some people have. We all have excess household items in our houses – these can be put to good use for those who have little. We will organise a collection of good quality donated goods once Flora has a list from her colleagues so watch this space.

Social Supermarket

Have you been able to bring something for the social supermarket? Just a single can will make a difference here – maybe you could add a can or packet or two to your basket when you do your supermarket shopping. Bring them along and put in the basket at the back of church.

Food items that they regularly run short of include: *Breakfast spreads and cereal, Milk powder and sugar, Tinned soup, 2-minute noodles, Tinned tomatoes/pasta sauce, Pasta, Tinned fish/meat/vegetables, Biscuits, Muesli bars, Up & Go breakfast drinks, Laundry powder, toiletries and Baby wipes*

Get One Give One Campaign

This campaign gives the opportunity for those in countries that cannot afford the vaccine the chance to be immunised. All you need to do is when you get your Covid-19 vaccine, give \$10 so that one of the world's most vulnerable can get theirs. \$50 covers a family of five and \$100 will cover two families. Please pass this information on to your friends, family, work colleagues – anyone who you think would like to be part of this.

Recycling

We are still collecting wine bottle tops, used pens, empty toothpaste tubes and old toothbrushes. The metal tops from jars are now able to be recycled as well so please add them to your collecting. There are boxes and a bucket at the back of church for these items. Please keep your old batteries at home for now – we will have another collection of these towards the end of August.
