**Diocesan news—‘Lessen Our Carbon Footprint’** – Are you able to help here? We need someone to lead a group to ‘Lessen Our Carbon Footprint.

As mentioned last week this is an initiative being set up by the Diocese to shrink our own carbon footprints.

– three months of prayerful action for our climate – and will run from August to November. Just let Flora or Lee know and they will point you in the right direction for information etc.

**Family History Group**—Are you are interested in discovering your own family history and the times in which your ancestors lived? Or do you want to record that information for the benefit and interest of your children or grandchildren? A meeting will be held in Khandallah Town Hall on Thursday 5 August at 2pm to develop a plan of action, help you research and write up your findings. Have a chat with Eileen for further details.

**Outreach reminders—Outreach a very important part of our ministry here at St Barnabas especially to those less fortunate than ourselves. Here are some ways you can help with this:**

**Household goods for those without** - Flora is currently working at Kāinga Ora (Housing NZ) and a recent talk from one of the Tenancy Manager’s was a sad wakeup call for everyone on how little some people have.

We all have excess household items in our houses – these can be put to good use for those who have little. We will organise a collection of good quality donated goods once Flora has a list from her colleagues so watch this space.

**Jammies for the Children’s Hospital**—34 pairs! What a wonderful total and so many different colours, patterns and styles – who knew that jammies were a fashion item! Many thanks to all of you who donated jammies – and to the ballet families and the Thursday night group for your contributions. The jammies are being delivered to the hospital this week.

**Social Supermarket**—Just a single can will make a difference here – maybe you could add a can or packet or two to your basket when you do your supermarket shopping. Bring them along and put in the basket at the back of church.

**Get One Give One Campaign** - This campaign gives the opportunity for those in countries that cannot afford the vaccine the chance to be immunised. All you need to do is when you get your Covid-19 vaccine, give \$10 so that one of the world's most vulnerable can get theirs. \$50 covers a family of five and \$100 will cover two families.

Please pass this information on to your friends, family, work colleagues – anyone who you think would like to be part of this.

**Recycling** - We are still collecting wine bottle tops, used pens, empty toothpaste tubes and old toothbrushes. There are boxes and a bucket at the back of church for these items.

Please keep your old batteries at home for now – we will have another collection of these towards the end of August.

**Khandallah Village Market**—This will be held on Saturday 14 August in the Khandallah Presbyterian Church Hal from 10am – 2pm. A great chance to see local craftspeople, buy some presents and stock up on goodies.
