Thank you, John

Today is John's last Sunday as our Bishop's Warden as he is handing the baton to Flora McIntyre on July 1.

The words 'thank you' are far from adequate to express our gratitude John for all you have done for the parish over many years but in particular over the last few - guiding us through tremendous change, being a steadying hand and calming voice when things got a bit heated, leading us forward.

So, thank you John – we will be eternally grateful to you and are very glad that although this is farewell to you as Bishop's Warden both you and Eileen will still be here worshipping and celebrating with us. Long may that continue.

To become disciples who make disciples through Jesus, building a supportive community of believers.

Sunday Service—Thank you to all who replied and gave us your preferences for the timing of services. There was a clear indication from the 8-o'clockers that they would prefer to continue with an 8am service, most 10-o'clock people wanted to stay with 10am and a handful of people wanted to keep with the current 9am combined service.

As a result of this poll we have decided to return to 8am and 10am but with a combined 9am service on the second Sunday of the month.

The service times for July are:

5 July 8am and 10am - Rev Kay Webster presiding

12 July 9am combined service – Rev Tony Gardiner presiding

19 July 8am and 10am – Rev Esmá Collins presiding

26 July 8am and 10am – Rev Rosie Newport presiding

Hospitals' Jammies in June Appeal—Let's do our bit to help Wellington Hospitals Foundation Winter Jammies Appeal - a cause that we have aided over the past few years. Last year we were able to drop off quite a lot of PJ's —Will we be able to do it again?

You are welcome to bring your donated PJ's to the parish office during office hours or drop it off during one of our services over the next 2 weeks. *Deadline is Tuesday 7 July.*

They are now accepting PJ's and virtual PJ's <https://whf.org.nz/>

A message from Bridget Hodgkinson: Please continue to collect any unwanted plastic pens, toothbrushes and other oral care items that would otherwise be discarded and bring them to church. Also, wine bottle tops.

Put your used batteries to one side at your homes but (for safety reasons) do not bring them to church at the moment please. There will be another notice about these in the future.

Please advise if you have any unwanted, good quality curtains or material that can be remade into curtains for others by the Sustainability Trust curtain bank.

Live your life each day as you would climb a mountain. An occasional glance toward the summit keeps the goal in mind, but many beautiful scenes are to be observed from each new vantage point. Climb slowly, steadily, enjoying each passing moment, and the view from the summit will serve as a fitting climax for the journey. Harold V. Melchert.

God, grant me the serenity to stop beating myself up for not doing things perfectly, the courage to forgive myself because I am working towards doing better, and the wisdom to know you love me just as I am. Unknown.
