A big welcome this week to
Rev'd Dr Joe McGarry

To become disciples who make disciples through Jesus, building a supportive community of believers.

Ash Wednesday 26 February—Ash Wednesday falls on 26 February. You are invited to bring last year's palm cross to church by Sunday 23rd as we need some to burn for the ashes to be used at the services on Ash Wednesday.

Collection of household items for Refugee family— Through the Anglican Movement Refugee Resettlement and the Red Cross Onslow Anglicans have offered to collect household goods for a refugee family of three (a mother and two boys aged 16 and 13). I am the coordinator at our church for this task.

The goods need to be delivered By Me to the Cathedral in Hill Street, Wellington, on Sunday, 23 February between 2-4pm so there's not much time! This could be the incentive you need to downsize!

We will be collecting General household and Pantry items. It has been stressed that we only collect what is listed because of problems with sorting and storing. I will put up the lists on the board at the back of the church and also arranged for the lists to be sent out by email to parishioners.

If you are happy to contribute items please contact me so I can prevent duplication and see how we are going. Items will need to be delivered here to church on Sundays from 2 February or to our Onslow Anglican Office during office hours, Tuesday, Wednesday and Friday, 9am -2pm.

Many thanks! Bridget Hodgkinson Phone: 5289326 or 0224019229 Email: hodgkinson.j.b@gmail.com

Use of Drive following new surface—Contour Asphalts have completed the driveway resurfacing. By Sunday it will be safe to drive through but NOT to park on the "Inward" side, as parking involves hard turning in getting in and out of the park. This leaves only the parks in front of the hall.

It will be okay to use the drive fully by next Sunday, though we need to be careful for longer. This applies especially to "hard turning".

Hall Roof upgrading and repairs—The interior stairway has been completed and some exterior finishes are near completion.

Following the recent earthquake—25 January—There has been some cracking in one of the uprights between the stained glass windows on the western wall of the church. We have had this inspected by the Diocesan Property Manager and apparently the damages is not structural (i.e. is cosmetic in nature). However, we are also organizing for an expert to examine the damage and advise on how best to remedy it.

Hymn Singing, Khandallah Presbyterian Church—Wednesdays 9 to 9.30am. Timeless hymns, friendly supportive group, range of experience, your choice, come when you can.
